

Swan Lake Stables Advanced Summer Camp 2025 Enrollment Form

Swan Lake Stables Summer Camp is fun and educational. Campers will have one mounted English riding lesson per day as well as learn about barn duties (i.e., horse care, grooming, health). Campers will also have daily informational hands-on lessons including parts of tack, show prep, cleaning tack, horse care, and parts of the horse. Weather depending, we will have a swimming day where campers can ride a horse or pony in the lake.

Attire for Camp: Shorts can be worn but campers must bring a pair of long pants to change into when riding. It is also recommended that campers bring swimsuits or an extra shirt and shorts that can get wet. Campers must wear proper riding boots with small heels during lessons. Other barn appropriate footwear is allowed when not mounted (no open toed shoes). Shirts must be long enough to tuck into pants during lessons. An approved riding helmet must be worn while mounted. If campers do not have their own, they can borrow one from the barn. To swim horses, campers can wear a swimsuit with shorts over top, a T-shirt optional and old sneakers or water shoes. Lunch: Campers must bring their own lunch and beverage every day. There is a microwave and refrigerator available for campers to use. It is recommended campers have extra water bottles or a refillable water bottle marked with their name.

There is a limited number of spots open each week. Get your forms submitted fast to secure your child's spot in camp.
